

Terms of Business & How we use your Personal Information

Effective 08.2020

TERMS OF BUSINESS

Travel Insurance

Introduction	<p>This document is effective from August 2020 and supersedes all Terms of Business previously issued by us. It sets out the terms upon which we agree to act for our clients and contains details of our regulatory and statutory responsibilities. It also sets out some of your responsibilities. Please read it carefully.</p> <p>Please contact us immediately if there is anything in these Terms of Business which you do not understand or with which you disagree.</p>
About Us	<p>DOGTAG and tifgroup are trading names of Travel Insurance Facilities Plc which is authorised and regulated by the Financial Conduct Authority (FCA), FRN 306537. You can check this information on the Financial Services Register by visiting the FCA's website https://register.fca.org.uk/.</p> <p>Travel Insurance Facilities Plc is a Managing General Agent (MGA) and an intermediary that acts as agent of the insurer.</p>
Our Products and Services	<p>We specialise in providing travel insurance policies for those travelling on leisure and business trips. Our products contain a number of sections, offering different types of cover provided by different insurers.</p> <p>Our travel insurance cover is insured by Union Reiseversicherung AG an insurer registered in Germany.</p> <p>Our end supplier failure cover is insured by Liberty Mutual Insurance Europe SE, an insurer registered in the United Kingdom.</p> <p>Our gadget insurance cover is insured by Union Reiseversicherung AG an insurer registered in Germany.</p> <p>If this criteria changes, or if we add another section with a new provider, we will tell you before you agree to take out or renew that particular policy.</p> <p>Our agents do not make personal recommendations and all sales are conducted on a non-advised basis.</p>
Methods of Communication	<p>We will normally communicate with you by email, post, and telephone. Please let us know if you would prefer not to receive communications by any particular medium.</p>
Insurer Security	<p>Whilst we monitor the financial strength of the insurers with whom we place business it should be noted that the claims-paying ability of even the strongest insurers could be affected by adverse business conditions. We cannot, therefore, guarantee the solvency of any insurer or underwriter. A liability for the premium, whether in full or pro rata, may arise under policies where a participating insurer becomes insolvent.</p>
Risk Information	<p>You must take reasonable care to answer all questions put to you about your proposed insurance fully, honestly and to the best of your knowledge. If you do not understand the meaning of any question, or if you do not know the answer, it is vital that you tell us. Once cover has been arranged, you must immediately notify us or your insurer of any changes to the information that has been previously provided. The most serious consequence of failing to provide full and accurate information before you take out insurance, or when your circumstances change, could be the invalidation of your cover. In that instance it would mean that a claim will be rejected.</p> <p>You are advised to keep copies of any correspondence you send to us or direct to your insurers.</p>

<p>Our Remuneration</p>	<p>Our remuneration is a percentage of the insurance premium paid by you and allowed to us by the insurer with whom the insurance policy is placed.</p> <p>We also earn income in the form of administrative expenses allowed to us by the insurer to cover costs incurred in carrying out work on their behalf and in the form of volume, growth or profitability payments.</p> <p>We do not normally charge a fee for our services; however, we reserve the right to do so, and if we choose to do this we will clearly show these within our quotations to you</p>
<p>Methods of payment</p>	<p>We accept payments by credit card, debit card or cheque.</p>
<p>Handling Client and Insurer Money</p>	<p>We collect and hold money as agent of the insurer.</p>
<p>Quotations</p>	<p>Unless stated otherwise in our documentation, all quotations provided for new insurances including a declared medical condition/s are valid only for a period of 7 days from the date of issue.</p> <p>You should be aware that quotations may change or be withdrawn if the information given to us or your insurers in proposal forms or declarations differs from that provided at the time the quotation was issued.</p>
<p>Changes to your cover</p>	<p>We will normally deal with any requests to increase or amend cover within 3-5 working days of receiving your request. Sometimes changes cannot be processed without obtaining additional information. If additional information is required we will contact you as quickly as possible.</p> <p>We will confirm changes to your policy, once agreed, in writing. We will also advise you of any extra premiums you must pay or premiums we must return to you.</p>
<p>Receipt of Instructions</p>	<p>We do not consider instructions to arrange or change cover which are sent to us by post, electronic mail or facsimile, or left on voicemail, to have been received until they reach the relevant personnel in our offices.</p> <p>We do not accept responsibility for instructions which do not reach us at all due to failures in the postal, electronic or telecommunications systems.</p>
<p>Documentation</p>	<p>Our aim is to produce documentation and issue correspondence in a clear and understandable format. In the event of any uncertainty we would ask you to let us know immediately. Our staff are always happy to clarify the cover provided.</p> <p>You should check all policy documentation to ensure that the details are correct and the cover provided meets with your requirements. Any errors should be notified to us immediately.</p> <p>All policies contain conditions and exclusions and some contain warranties and deductibles (sometimes called excesses). It is your responsibility to examine the document to familiarise yourself with these. A breach of a policy condition may result in non-payment of a claim and breach of a warranty may invalidate the cover if it is not complied with precisely.</p> <p>We recommend that you keep policy documents for as long as a claim is possible under the policy.</p>

Making a Claim

Please note that your policy has different claims handlers for the travel, gadget and end supplier failure sections of the policy. You should, therefore, consult your policy documentation for contact details for the various insurers' claims departments. Please ensure that you report all incidents that could give rise to a claim as soon as you become aware of them by contacting the insurer on their helpline. You will be advised if you need to complete a claim form or produce documentation to support your claim. In certain circumstances late notification may result in your claim being rejected.

If the claim involves damage to your property, please do not:

- Dispose of damaged items; and/or
- Authorise repair work (except in an emergency or to prevent further damage) until your insurers advise that you can.

If your claim involves damage to third party property or injury to persons please pass copies of all correspondence, including solicitors' letters, to the insurers **immediately and unanswered**. Any attempt to negotiate or respond to the incident, without prior reference to the insurers, may prejudice your cover.
